1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

1. The 100-subject sample is representative of 18 months from the birth of children until day 100 of life and during the introduction of a solid diet. In the sample, 40% of the subjects are under 1 year of age and 60% are under 2 years of age. The sample is representative of the general population of the United States.
